### **Directors' Corner:**

#### **Springwood II, Inc. Website:**

For community information go to [www.springwoodvillas2.org](http://www.springwoodvillas2.org).

You will be able to download forms, documents, read our Springboard Newsletter and other interesting facts about your community.

#### **New Directors Appointed:**

Nick Giammona joined the board of directors. His term will run through February of 2019. Nick filled the position that has been empty since February of this year.

Charles Bertrand also joined the board of directors. His term will run through February of 2018. Charles filled the director position vacated by Donna Keher, who resigned in October.

The board would like to take this opportunity to thank Donna Keher for her dedication and service to our community. Her knowledge and expertise will be greatly missed.

#### **Upcoming director elections in February of 2018:**

Four director positions will be available in February of 2018. Sometime in December residents will be receiving the first notice of Annual Membership Meeting. Included in the packet will be a "Notice of Intent" form for anyone wishing to run for a board position. The intent form must be received by our management company no later than the date indicated in the first notice of the annual membership meeting. You may not be well known within the community so it would be advisable to include a cover letter outlining your experience, qualifications and why you want to be a board director.

**Thank You:** After nine years of ensuring that our community was safe and well informed, Mary Spielman our Neighborhood Watch Coordinator has retired from her position.

Over the last nine years, Mary coordinated many functions relating to the neighborhood watch program. Some examples; self-defense as well as home-defense classes and had the Pinellas Park Police Department, Crime Prevention program here several times.

**Thank You:** to Juanita Blair, the Co-Coordinator who is also leaving our Neighborhood Watch Program for her many years of service.

Betty Curry will now head the Neighborhood Watch Program and can be reached at 727-544-2053. Kelly Bagley will be assisting Betty as Co-Coordinator. Kelly can be reached at 727-388-5886.

## Reporting Claims:

Residents must fill out a "Claim Reporting Form" whenever they have a loss that the association's insurance policy would cover.

Claim forms are available on the office door inside the clubhouse.

You must completely fill out the form and either give it to a director or notify our management company.

At least two (2) directors and/or our property manager must inspect the claim and take pictures. The resident will then be notified of how the association will proceed with the loss claim.

The board will make all arrangements with a licensed and insured contractor(s) necessary to complete the work.

Do not make repairs prior to submitting the claim form as the board will not be able to honor your request.

## Automated Phone System:

The Board is presently reviewing the utilization of an automated phone system to alert our residents in the event of:

- Water Outages
- Board Meetings
- Street Sweeping, etc.

Previously, residents would receive calls from their block captain whenever the need was necessary. But there have been instances where some of our residents did not receive notice. The new system will alleviate that problem.

We must have a working, up-to-date phone number available on file for the automated system to work properly.

There is a small cost for this service which will not have any effect on our budget.

# *Annual Thanksgiving Dinner*

**2:30 PM**

## *Thanksgiving Day*

*Free for all residents  
and their guests.*

*You may bring a  
favorite dish if you  
like.*

*No one should be alone  
on the Holiday.*

*Come and dine, chat,  
and enjoy your meal  
with us, your neighbors.*

### **Please Note:**

A sign-up sheet is located on the bulletin board inside the clubhouse.

Please put a check mark for each person attending the dinner.

## **Directors' Corner:**

### **Welcome Back Neighbors:**

While you were away over the summer months, several units were sold. The good news is that our resale values are on the rise. The highest sale was a stand-alone unit that sold for \$172,00.00.

Our community has a lot to offer which attracts perspective buyers. The clubhouse facilities alone make it attractive to live here.

Not to mention our low monthly maintenance fee. Present and previous boards have done an excellent job keeping maintenance costs to a minimum.

### **On a not so good note;**

Some seasonal residents did not move airborne objects inside before they left. This made for a dangerous situation during the hurricane.

Directors went around the community telling those who were here to move objects inside.

In addition, many of the seasonal residents did not make plans for someone to keep the weeds in their plant beds under control.

If we want our resale values to keep increasing, we all need to keep our community looking the very best it can be.

### **Hurricane Irma:**

#### **Spoiled Food Warning;**

If you are just coming back, you need to know that most of our community was without power for four (4) days after the hurricane went through.

This is especially important if you had left food in your refrigerator.

Check with your neighbors before consuming any food you may have left in your refrigerators.

One unit on Magnolia Trail sustained heavy damage. Both the flat and tile roof was damaged which caused water intrusion into the unit.

The Association's insurance policy will cover most of the repair costs minus the deductible.

### **Other damage within our community:**

The north shuffleboard awning was destroyed.

One of the shuffleboard lights was destroyed.

The front sign by the frontage road sustained roof damage.

Several awnings were destroyed, and only a few tree branches came down.

Aside from the power outage, which caused many to lose their food, the entire community sustained minimal damages.

Keeping our trees trimmed properly prior to the storm also aided in less damages.

### **Condo Communities Targeted:**

There have been recent break-in of cars and vacant homes reported at Mainlands and other condo associations in our area.

We must be alert to strangers and unusual activity around our community.

So far, we haven't had any reported break-ins or suspicious activity in our community.

Let's keep it that way, by staying alert.

### **Parking Issues:**

No parking by the yellow painted curbs.

Should an emergency vehicle be unable to have access through a street, the Association could be issued a fine.

Please ensure that you and your guests follow our road rules and regulations outlined in the Rules and Regulations section of our documents.

### **Emergency Contact Information:**

It is your responsibility to inform the Board when you have changed portions of the Emergency Contact Form that we have on file.

Blank forms are available at the clubhouse office.

Contact Becky Goss, secretary, at 585-307-8033, or Paula Cabral at 510-305-5250 if you need to update your emergency information.

***Your Board of Directors would like to take this opportunity to wish you all a Happy Thanksgiving!***

## Kayaking Anyone?

I have always loved the water and spent a lot of time in boats and canoes, but I never tried kayaking. It seemed to be a popular sport and I saw many kayakers whenever I was on any body of water. So, three years ago I took the plunge and I loved it.

I have been kayaking many of the springs in Florida such as Weeki Wachee, Rainbow Springs, Silver Springs and many more. The water is so clear you can see to the bottom, even in deep areas.

The wild life is often abundant. I have seen manatees, otters, monkeys, ducks and a vast array of other wild birds. The scenery is beautiful with many types of wild Flowers and other vegetation.

It is a very peaceful way to spend a few hours. If you are a kayaker or think you might like to try kayaking, give me a call.

I am looking for anyone interested and am willing to teach beginners the basics.

Just to allay any fears, I am a certified water safety instructor and lifeguard. I can be reached at:

727-276-0788.

*Submitted by Josie Troiso*

## Holiday Bingo Schedule:

No Bingo on Wednesday, Nov. 22nd.

Bingo resumes on Wednesday, 29th.

No Bingo on Wednesday, December 27th and Wednesday, January 3, 2018.

## Daylight Savings Time Ends:

Remember to put your clocks BACK one hour before you go to bed on Saturday, November 4th.

## Report Power Outages:

Immediately report power outages to Duke Energy power outage line at 800-228-8485.

Don't assume that someone else will call. The more residents that call, helps Duke Energy determine just how widespread the outage is.

## Plaster Bag Worms:

Have you noticed all those brown things clinging to exterior walls, light poles and street signs and didn't know what they were?

I was told by our insect exterminator, Mickey's Pest Control that they are larva of Plaster Bag Worms. They are attracted to humid and moist areas.

To remove them from your exterior walls, just scrape them off with straw broom or a plastic paint scraper.
