Directors' Corner:

Clubhouse and Pool Etiquette:

The clubhouse facilities are for the enjoyment of our residents and their guests. Residents who use the clubhouse facilities are responsible to ensure their guests also follow the clubhouse rules. Read the rules and regulations section of your documents if you don't know what they are.

These rules are not harsh or overstated. They are simple, treat the clubhouse like it was an extension of your own home.

Clean up after yourselves, shut the lights when leaving, and if you adjusted the room temperature, return it back to the settings indicated on the wall. Don't leave water running in the bathrooms or use the pool showers to dye your hair.

For safety reasons, young children must be supervised, and not allowed to roam around the clubhouse facilities unattended.

Security cameras and an updated entry system were installed several years ago. Whenever a resident enters the clubhouse or pool it is recorded electronically on the log the exact time of the entry.

Security cameras are motion activated and will record whenever there is movement. Having these two research tools available, a security monitor can determine who was in the clubhouse at any given time.

Duck Feces in Pool:

Twice in May, the pool had to be closed due to feces from ducks swimming in our pool at night.

Residents have been asked many times to refrain from feeding ducks. Yes, they are cute, but they are very capable of feeding themselves without any help from humans.

Reminder, feeding ducks, and other wild animals is **against** the law. It also encourages them to take up residence here, which will eventually result in more pool closures and additional costs to clean the pool and/or have them physically removed. *Please . . .*

Stop Feeding the Ducks!!
