### **President's Message:**

**Get ready for Hurricane Season:**

Hurricane season is approaching, and we must get ready! As our seasonal residents prepare to return to their northern homes we ask that they make their Florida home hurricane ready. This means putting up your hurricane shutters, if you have shutters, bring indoors all your outdoor furniture and remember to bring indoors all your garden/lawn/patio ornaments, bring indoors your potted plants as these pots can become airborne in a hurricane. And we wish you all a safe homeward journey and a lovely summer.

**Get Involved! Join a Committee:**

The Board held a planning work shop on February 27. Priorities were set for 2018 and include sewer relining; review and updating rules and regulations and bylaws; painting of the Villas; roadway and sidewalk improvements, masonry wall and fencing repairs.

We also agreed to set up Committees led by a Board member and inviting the community to participate on the Committees.

I encourage you to join a Committee and contribute to the Community well-being. Here is a list of the Committees and the Board member you should contact if you wish to contribute to the work of that Committee:

1. Grounds Maintenance Concerns and Landscaping Modification Reviews --- Paula Cabral
2. Construction Modification Reviews --- Donna Keher
3. Clubhouse Maintenance Concerns --- Hank Amalfitano
4. Streets Maintenance Concerns, Villa Painting Project, --- Art D'Elia
5. Support for Social Committees and Library Committee --- Becky Goss
6. Finance Committee and Support for a Fining Committee --- Rich Bennett.

## **MEDICAL NEEDS:**

## **HOME:**

Remove outdoor items such as yard art and decorations. Trim dead branches from trees, board up windows, fill gas tanks and extras containers, get extra cash, move furniture away from windows, store important documents in waterproof containers. Take pictures of your contents before hurricane hits.

## **FILING INSURANCE CLAIMS:**

Although your first concern should be safety, it is important to be aware of the need to act promptly when filing claims for damages inflicted to your property by a hurricane. Take video of property, inside/outside, have your policy number available, contact your insurance company asap, make list of damages, if possible document damage with photos/video.

## **MAKE FAMILY COMMUNICATION PLAN:**

Have a family/friend plan to know how to communicate with one another. Make sure cell phones are fully charged.

## **KNOW YOUR EVACUATION ROUTE:**

Visit [www.pinellascounty.org/emergency](http://www.pinellascounty.org/emergency) for hurricane news, evacuation maps, shelter information and more.

## Community Yard Sale:

***Many thanks to all the volunteers that worked so hard on the yard sale.***

Special thanks to **Mary Spielman** for the beautiful Signs and Posters.

Many thanks to **Lou Bommattei** for his work with the City for all our Advertising.

Thanks to **Kevin, Martin and Nina Goss, Charles, Paula and Tony**. *Great Job!*

*To those of you who called and yelled at me and blamed me for the poor turnout.*

*Shame on you!!*

*Submitted by: Betty Simon*

### Editor's Note:

The poor turnout was due to the City of Pinellas Park code enforcement official who removed the signs directing people to our community. The volunteers who helped organize this event did the best they could to make the community yard sale a success.
