President's Message:

It's Summer at Springwood Villas II

This issue of the Springboard marks the beginning of summer. The next issue of Springboard will be published in September and the June meeting of the Board of Directors will most likely be the last one until our September meeting. This does not mean your Directors will not be busy! Ongoing projects include the installation of new street signs, preparations for painting of the Villas, sewer relining and storm water pipe repairs, review of fencing repair/replacements requirements, and the review of the By Laws and Rules. Additionally, ongoing work continues such as lawn maintenance oversight, approval considerations for construction modification and landscaping improvements, arranging interviews of potential new owners/renters, and responding to requests for security access cards and fobs. The Board is always ready to respond to your needs and concerns even if we are not holding Board meetings in July and August.

Homeowners' Improvement Projects

Likely it is not only the Board that will keep busy over the hazy days of summer. Many home owners continue to improve the gardens areas and make improvements to their units. These improvements are appreciated by all and convey a wonderful sense of community pride. I am often asked "when do homeowners need to ask for Board approval when making changes to their unit or the common space around their unit."

The Association's attorney, Dan Greenberg, issued a letter sent to all homeowners in late February.

In his letter Dan referenced our Declaration of Condominium which in section 15 sets out to answer the question of when to obtain authorization from the Board.

. . . President's message continued:

Basically, our Declaration requires that owners seek
written Board approval when making any
modifications or changes to the exterior of the
condominium unit. If you are not sure if you can make
an improvement, please ask!

There are 2 committees set up to review most
requests and they aim to say YES!! The Construction
Modification Review Committee members are Donna
Keher, Jeannie Brunnelle, Gale Scott and Cathy Palio.
Typical requests that we review include exterior
painting of units, new roofs or roof repairs, new
windows, new doors and storage sheds. I take this
opportunity to thank Charles Bertrand who recently
resigned from the Construction Committee. Charles'
contribution to the work of the committee was greatly
appreciated.

The Landscaping Review Committee members include
Art D'Elia, Paula Cabral, Bruce Christofi and Bob
Brandl. They review requests to change garden areas,
plant bushes or trees and add patio areas.

Remember we aim to say yes. We appreciate your
commitment to making improvements and we enjoy
the changes that enhance the beauty of our
community.

Wishing everyone a sunny and hurricane free
summer!
