New Pool Furnishings

We are delighted with the new pool furniture and hope you and your guests enjoy the new, fresh look!

This replaces the furniture that had been restrung once before and due to aging, many of the frames were literally falling apart. Useable chairs from the old set were put to good use in the gazebo and under the awning at the shuffleboard courts.

We take this opportunity to remind our residents and guests of our pool etiquette. Close the umbrellas after use. The new furniture is light weight! If you wish to move furniture, lift it do not drag it as this will wear down the protective plastic caps on the legs. Return the furniture to the original placement after you have moved it.

Do not use the furniture for your ‘exercise routines’, please use the exercise room in the clubhouse for your workouts! Clear away any personal items when you leave the pool area. Put your trash in the trash bins and use the cigarette receptacles if you smoke.

Please turn off the radio after you use it. And remember the pool is open for swimming from dawn to dusk only.

Thank you for being courteous and we invite you to enjoy the pool and its facilities.
