**President's Message:**

Hello Everyone:

My name is Charles Bertrand and I am excited to be your new Springwood II Homeowner's Association President. I would like to give you a little background about myself. I was a civil servant for a major city in New York in the maintenance department for 23 years. After my first child was born, I bought my first house, which I rented out, and so begun my second career as a landlord. I have a vast knowledge of home renovation, and I believe this knowledge will serve me well as your Homeowner's Association President. I have been a Florida resident for almost 20 years. I would like to give you an update on the projects which are in progress as well as what I would like to do in our community. Fence: The fence is scheduled to be completed February 22. We will review the fence to make sure the installation is proper and right.

Pool Heaters: The pool heaters are functioning. The pool water temperature is at 90 degrees, which will be adjusted to 86 degrees. The electric cost will be monitored.

Clubhouse Roof and Hole in the Ceiling of the Exercise Room: We are waiting for Progressive Roofing to advise us accordingly, because the roof seems to be still leaking.

We are getting bids for the cleaning of the roofs for the northern section of our community.

We will be installing air fresheners in both clubhouse bathrooms. We would like to seal the clubhouse parking lot and paint new parking space lines.

I am in the process of reorganizing the clubhouse for more efficient storage. I would welcome any suggestions or recommendations. It's all for the good of our community.

I very much look forward to working with all of you, the homeowners, and the other Board members so we can continue to keep Springwood II as wonderful a community as it is.

*Thank you, one and all, Charles Bertrand*
