## **Service to the Springwood Villas II Community**

Last month, in the Springboard, several 'retiring' Board members were thanked. The editor modestly neglected to acknowledge his own contributions to our community. Art D'Elia has served on the Board of Directors for several years and in various capacities. He did so with thoughtful professionalism and with the best interests of the community at heart.

Those who have served on the Board can attest to the fact that you 'can't please all the people all of the time'. And Art took the complaints with the same grace as he received the community's compliments. Art tackled the challenges and always rolled up his sleeves to get things done as needed. He managed such responsibilities as the ongoing repairs to shut off valves and the oversight of lawn maintenance.

Each Board member contributes to achieving the Board goals. Last year, when I served as President, Art was the one Board member who consistently and frequently assisted me with the daily (day and night!) demands of the community. Art worked diligently on several improvement projects during the 8 months in his 2018-2019 term. An example of Art's work is reflected in our beautiful new street signs.

Art took on the challenge of the villa painting project. And we all must acknowledge that was not an easy task. From the beginning of the project Art called upon a group of villa owners to participate as a "Villa Painting Committee" to ensure the ideas, concerns and requirements of the villa owners guided the painting project. When the Board came to know that the Board did not have authority to contract with the painting company, the Villa Painting Committee was ready to step in and take up the reins. Under the tireless leadership of Linda Gove, the project continued because Art had initiated the villa owners' early involvement. The villas that have been painted look beautiful and our community benefits greatly from this colorful facelift.

Art is a problem solver and continues to this day to offer insight and advise when asked to do so.

As a community member, beyond his Board responsibilities, Art ensures that each month the community's newsletter, The Springboard, is compiled, edited, printed and distributed. With his wife, Linda, Art has coordinated the TGIF volunteer sign ups and supported their work.

It is my great pleasure to say a hearty thank you to Art D'Elia.

## *My Neighbors and Friends*

by Ellen Bailey

My neighbors and my friends are very dear to me  
They are always there whenever there is a need

We talk to each other and we borrow and lend  
Such treasures they are, my neighbors and friends

I sing when they sing, and I laugh when they laugh  
We do things for each other on the other's behalf

They share with me their many worries and fears  
I share with them my compassion and my tears

How lonely and cheerless a place my soul would be  
Without such neighbors and good friends as these

I cherish them all and take each one into my heart  
Feeling the love and kindness each in turn imparts

## Thank You:

I want to thank everyone for the prayers and well wishes during my recent illness. Especially thank you to Danuta Mucko and Kris Gawron for bringing me everything I needed at rehab and bringing me back home. Also thank you to Nick and Teresa Giammona for visiting and the beautiful flowers. Thank you as well to Kelly Bagley for visiting and praying with me when I truly needed to be close to God which I know helped in my quick recovery. God bless you all and I am so grateful to live in a community full of wonderful neighbors!

## Potted Plants:

I want to ask that whoever is moving my potted plants by my villa to PLEASE STOP. I take pride in my plants of which my mama planted most when she was with me and I want to continue taking care of them in her memory. I think that I am doing well on my own and if I need assistance, I will ask for it. We all have our own homes to take care of the way we choose within set guidelines and I prefer taking care of my plants myself for as long as my health allows.

*Thank you, Ewa Hurman*
