Message from the President . . .

In a few more days the annual Board meeting will take place and terms for some board members will end and new board members will take their places.

This year four members have reached the end of their two-year terms and only two residents applied for board seats leaving two vacancies. With five of the seven board members seated they will still be able to proceed and conduct the normal business activities. The new board is formed at the upcoming annual meeting and those vacancies only occur after that time. The new board will then appoint new members to fill those vacancies probably as soon as the March meeting. The word has spread that there will be vacancies on the board and appointments can be made and we now have at least three interested parties looking to get a position on the board for the remaining two seats. If you have any interest in getting appointed to one of the vacant board seats get your name submitted to one of the Board members or drop off a note to the office.

It has been quite an interesting time during the last two years on the Board. The %\$#! Covid, the closures, the Zoom meetings, the enormous insurance issues, and roof inspection results... were just a few of the challenges we all lived through.

A very big Thank You! to all of the Board members for their hard work and a very special thanks to Donna Keher who has been a great Treasurer and during the last year alone spent hundreds of hours on the roof inspections and insurance issues. This has been a team effort and a pleasure for me working with this great team that includes Cindy our office staff of one who kept a great attitude even with some difficult and challenging events.

To my fellow Springwoodians, you have been great even when we had some issues where we did not have the same opinions. Thank you all for your smiles and friendly waves. Again, it has been a pleasure.

Pedestrian hit/run Incident:

On Wednesday, January 12th, at approximately 3:30 to 4:00 p.m., a Springwood apartment resident was hit by a white vehicle going into Springwood Villas II community.

The woman was knocked off her tricycle while crossing Springwood Blvd. with her dog.

The driver of the vehicle didn't even have the courtesy to stop to see if the woman needed medical assistance, just kept on driving.

This is not the first incident of bicyclists being hit by a car in Springwood II.

How to prevent this from happening again:

Drivers need to slow down and follow the 15-mph speed limit and come to a full stop at stop signs before proceeding.

If you think the pedestrian/cyclist isn't paying attention, proceed slowly and tap gently on your horn to let them know you are approaching.

Pedestrians and **cyclists** could avoid getting hit by being more aware of their surroundings. Keep an eye out for vehicles and cyclists.
