Springwood II's Monthly Newsletter

May 2025 Edition

Pool Re-Open:

June Beese was the first one in the pool.

Taz rejoicing the pool re-opening.

Board of Directors Workshop: Tuesday, May 13, 2025, at 2:30 p.m.

Board of Directors Meeting: Tuesday, May 27, 2025, at 7:00 p.m.

From Your Board of Directors:

APRIL REPAIR UPDATES:

Termite droppings were noticed in the lady's pool dressing room vanity. Natuzone Pest Control came out, treated the area, and inspected the men's dressing room.

Please notify the office or Ameri-Tech if you see any new droppings.

Bees and Wasps were sprayed, and the nest is gone.

Micky's Pest Control is not contracted to treat for Wasps or Bees. They will remove the wasps for a fee. Honeybees will not be destroyed, but they have a service that will remove a small hive, protecting the queen for free.

Carr A/C was out this month to clear a line in one of the A/C units that services the clubhouse's main hall.

Coastal Fitness has repaired the weight machine in the exercise room.

Sprinkler System: The clubhouse's sprinkler system has been repaired. The mainboard has been replaced, and all zones are functioning.

Joke Corner:

It's all about the Beef:

- Meat is so expensive. Yesterday I brought home a 3-pound sirloin steak. *We weren't sure if we should broil it or bronze it.*
- I just found out why they call it aged beef. *You ask the price and that's what it does to you.*
- I get nostalgic for the good old days when Pepsi had more bounce, and the butcher gave more chuck for the buck.
- I got an invitation to a party that said BYOB *I called up the hostess and asked, "Bring your own bottle?" She said no, bring your own beef!*

Pool Chemicals:

When chemicals are placed in pool, please do not enter unless cleared by the Pool Technician.

*Thank You,
Board of Directors*

Grasshoppers are Back:

Now is a good time to keep them from destroying your foliage.

Spectracide makes a product called 'TRIAZICIDE' that kills grasshoppers and many other lawn insects.

You can find it at Home Depot.

The concentrate costs less than

\$10.00. Mix one(1) ounce with a

gallon of water in a spray can.

You can also buy this product pre-

made in a gallon spray can for about

the same amount of money.

It will kill the grasshoppers within

several hours.

Thank You:

Many thanks to all that helped get the pool ready
to shut down prior to construction and again
getting it ready to open! It was a lot of work, but
we got it done and our pool looks fabulous!

Thanks: Jerry Marking, Jerry and Martha
Passamonte, Dave Gaboian, Kevin O'Brian, Jennifer
Hanks, Jimmy Kelleher and if we forgot anyone,
sorry!

From the Board Continued . . .

Drainpipe: The drainpipe on the east side of the pond near
the clubhouse is the responsibility of the school district.
They will be contracting someone for the repair. Please be
aware of the cones around this hazard.

Census Committee: We are a 55+ community, and to
maintain the proper percentages, a Census Committee has
been recommended. More information will be available
once we hear from the attorney on the appropriate way to
proceed.

Pet Pooh and Butts:

It continues to be a concern about members allowing their
pets to defecate and not picking up after them. PooPrints
has been suggested as a DNA solution.

Please pick up after your pet. This service could cost every
pet owner \$60.00 per pet to register their pet. Picking up
after your pet costs nothing.

Please do not put your pet's waste in your neighbor's trash
cans or walk up to or alongside a neighbor's home to
deposit your animal's waste in their trash cans. We have
several members who are gone for weeks and months.
This is not a welcome back they appreciate.

Butts: There have been complaints about cigarette butts
being thrown in common areas. Please dispose of them in
appropriate containers.

RUMORS: There is no truth to the rumor that any board
member, past or present, has mishandled funds.

– Gossip dies when it hits a wise person's ear.

Pool Classes: With the pool reopening, exercise classes
have resumed. Class times are available on the
springboard calendar. Please be courteous while these
classes are in session.

Repurpose Shuffleboard Courts: The upkeep of the
shuffleboard court has been a topic of the past few years.
Especially when repairs must be made. It is used very little,
if at all. Suggestions have been made to repurpose it.
We are looking for ideas and suggestions. Please submit
your suggestions to the office email,
springwoodvilla2@gmail.com , or write them down and
deposit them in the office mail slot. We will collect them,
and the top three will be posted in the next Springboard.

May Art Show:

The May Art Exhibit is right around the corner!

This one will be hosted by another one of our residents,
Raul Ramirez, and will include his very own paintings
and photographs.

The date is Saturday May 10 from 6pm to 9pm in
the library. Refreshments will be served.

It's been a great event to meet neighbors!
